Dear Homeowners;

We are pleased to announce that the sealing of driveways will begin on Wed. 8/12/15 and will continue until Friday 8/14/15. The hours of work will be from 8:00 A.M. until 6:00 P.M. each day. All vehicles must be removed from driveways (and garages since exiting from garages will damage seal coating). If a vehicle remains in a driveway on the scheduled day of work **SEALING WILL NOT BE DONE!! THERE ARE NO EXCEPTIONS.** Parking will only be permitted in designated areas where signs and tape are visible. Signs will say "**Park here only**". Please drive and park cautiously thru-out this process. Additionally, the date of garbage pickup has been changed from this **Friday 8/14/15 to Monday 8/17/15** to accommodate this project. Garbage cans must be placed out on **Sunday evening** due to an early Monday pickup. Please remember not to block any driveways or fire hydrants. No street parking permitted on Somerset, Bryant or Auburn Ct. at any time in case of emergencies.

Thurs: 8/13      Crestwood Ct. (remainder)
